THE YACHT CONSTITUTION.

Associated Press, Morning Service.
NEW YORK, May 19.—The yacht Constitution was badly damaged while being drydocked, owing to the breaking of the props.

The yacht Constitution was built by the Herreshoffs in 1901 and was intended as a cup defender. She failed to prove herself faster than the Columbia, and the latter craft was chosen to defeat the Shamrock II. The vessel cost a mint of money, and her failure to defeat the Columbia in the trial races of 1901 caused keen disappointment to her owners. This year, and in fact since 1901, the yacht has been kept in the best of condition in the hope that she might prove faster and by defeating both the old Columbia and the new Reliance have a chance to make the contest against Lipton's Shamrock III in the race for America's cup. She was to have had trial races off Sandy Hook and in Long Island Sound against the Reliance this month, and had been put in the dry dock at New York for cleaning preparatory to entering these.

BULGARIA'S NEW CABINET.

Associated Press, Morning Service.
SOFIA, May 19.—A new cabinet has been formed by the Stambuloff party with Petroff as Premier. It will seek the friendship of the powers.

The forming of a cabinet in Bulgaria by the Stambuloff party means that another strong factor has been brought into the Balkan troubles. The new party is anti-Russian. Thus it is that they immediately appeal to the powers to help Bulgaria to a firmer position. The Stambuloff party is composed of the former followers of Stepan Stambuloff, who was the greatest statesman Bulgaria ever produced and who was for sixteen years Prime Minister. Under his rule Russia had but little in-

fluence in the Balkans. He was assassinated in 1895 and it was claimed that Russia was "interested." Russia immediately became a strong factor in Bulgarian and Balkan matters. Stambuloff was cruel, tyrannical, and vindictive, but he was honest, patriotic, and unselfish in his devotion to his country and his people, and the Russian sympathizers in Bulgaria were said to have been responsible for his death. Since his death it has been said that the Russian agent at Sofia has been more powerful than the reigning Prince Ferdinand.

ALFONSO WILL HELP.
Associated Press, Morning Service.
MADRID, May 19.—King Alfonso, in opening the Cortes, said he would give every assistance to revivifying and strengthening the credit of the nation.

DESTRUCTIVE MAY BLIZZARD.
Associated Press, Morning Service.
GREAT FALLS, Mont., May 19.—Blizzards have been raging three days and the losses to sheep and cattle men will amount to \$5,000,000.

HARRIMAN'S CRITICAL DAY.
Associated Press, Morning Service.
NEW YORK, May 19.—The operation for appendicitis upon President Harriman of the Southern Pacific will probably occur on Wednesday.

NEW SCHOONER AT PAGO PAGO.
APIA, May 19.—Mr. Young's new schooner Sialafi, built by Turner of San Francisco, arrived at Pago Pago on May 1st, from 'Frisco, via Nassau Island, after a passage of 47 days. The Sialafi is a smart looking schooner of 37 tons, and Captain Saffings speaks well of her sailing capabilities.
